I want to sing into your eyes
Your dilated eyes die criminal
Die criminal die.

I want to sing into your eyes
Your dilated eyes die criminal
Die criminal die.

Are you the kind of man that would
Hold your breath to part with your
Lungs?

Coz nows the time (x2)

Are you the kind of man that would
Cry fake tears to save your eyes from
The sight of your own blood?

Because now's the time (x2)

With torso high you gave a brave look
You gave a brave look
But you're not so high
Anymore now, anymore now

I pulled the trigger once so i could
See you dance i guess there was just enough
Enough gunsalt, just enough to
Ricochet up and and put a hole in your
Head ...because now's your time. because nows ur time

I want to sing into your eyes
Your dilated eyes die criminal
Die criminal die.

I want to sing into your eyes
Your dilated eyes die criminal
Die criminal die.

Canto funbre froever we march
You've made a sea of calloused hearts
To loathe.
