

Hopkins Lightnin' "Morning Blues"

Visit "[Morning Blues](#)" on MotoLyrics.com

You know I went down to my baby's house, fell down on
my knees,
crying please, please help poor me, help old me
She said, "Lightnin' I wished I was rich and you were
poor"

The meals that you've been getting, I will see that you
never get them no more

She's talking to me and I'm down on bended knee

Somebody help me, help me, please

You know I went to my house, wasn't nobody there but
me

That was trouble, that was worry, Lord, Lord, like the
whole world would see

Somebody please help me, I've been wondering about
my fate

Her little smiling, baby, I can't see

Well I'm about to make it up in my mind to let her go
ahead on

Baby, you go have a good time, while I walk my floor
and moan

You may not miss me now, but you're gonna miss me
when I'm gone

Well I just can't do nothing but cry, I just got to walk my
floor and moan
