Money, money, money, money  
Is the root of all evil  
Money, money, money, people  
Is the root of all evil

You work for a man and you get no pay  
Brother don't do nothing wrong  
Don't beg the one inflating you  
When Jah will come, it's you all alone

Money, money, money, people  
Is the root of all evil  
Money, money, money, tell you  
Is the root of all evil

Some steal it, some kill for it  
Some do iniquity for it  
It makes friends, it break friends  
Judas betrayed Christ for it

Money, money, money, tell you  
Is the root of all evil  
Money, money, money, people  
Is the root of all evil

Hey yeah, money, money, yeah

Some steal it, some kill for it  
Some do iniquity for it  
It makes friends, it break friends  
Judas betrayed Christ for it

Money, money, money, people  
Is the root of all evil  
Money, money, money, tell you  
Is the root of all evil

We can't live without it  
We got to buy food to eat  
It's good and it's bad  
And yet we can't live without it

Money, money, money, tell you  
Is the root of all evil  
Money, money, money, people  
Is the root of all evil
