I've known quite a lot of bastards  
And suspicion's second nature to me  
Yet you managed to gain my trust  
You played your part so well I just didn't see

But when  
I heard these rumours  
- Vicious gossip -  
Then  
The game was over  
- Terminated -

Backstabber  
Deceitful master of hypocrisy  
Backstabber  
You slander the others to forget your own mediocrity

You pretended to be my friend  
But you were nothing but a snake in the grass  
And when you tried to tarnish my name  
You exposed what lies behind your mask

This time  
You've shown your real face  
- No more disguise -  
Now  
You're back in your place  
- Cut down to size -

Backstabber  
Deceitful master of hypocrisy  
Backstabber  
You slander the others to forget your own mediocrity

Backstabber  
Deceitful master of hypocrisy  
Backstabber  
So full of frustrations so hard to deal with  
Backstabber  
Trying to blank out your own mediocrity  
Backstabber

You slander the others to forget about what you'll never  
be  
Backstabber  
You can't help but slander the others  
'Cause that's your way to forget how small you really  
are  
You damn loser!  
Master of hypocrisy  
Backstabber
