Swore you'd quickly get to the top
Pushed by a drive that nothing could stop
A man on a mission with well thought-out schemes
Eagerly playing for the highest stakes
Devoid of scruples, just do what it takes
The end always justifies the means

But all the success you can find
Never feeds your appetite
You're gnawed by this

Burning hunger
- Deep inside -
You can't satisfy
'Cause the more you get, the more you need
A burning hunger
- You can't fight -
Possessing your mind
While your soul is consumed with greed

You think you must either kill or be killed
And no feelings could weaken your will
When you crush whoever stands in your way
You see friends as potential stepping stones
There's no-one you wouldn't trample on
To soothe your craving to own more every day

Your morbid obsession with gain
Is slowly wasting your brain
You're dying of this

Burning hunger
- Deep inside -
You can't satisfy
'Cause the more you get, the more you need
A burning hunger
- You can't fight -
Possessing your mind
While your soul is consumed with greed

A burning hunger

- Deep inside -
You can't satisfy
'Cause the more you get, the more you need
A burning hunger
- You can't fight -
Possessing your mind
While your soul is consumed with greed
