### "Hell Or High Water"

I'm not the type to waste my time  
Listening to back seat drivers' advice  
Dead against any compromise  
I stick to my guns, no matter the price

'Cause I know what I'm heading for  
And nothing's gonna hold me down

Come hell or high water  
I'll continue on my way  
I'll carry on  
Through thick and thin, never hesitating  
Hell or high water  
Getting stronger every day  
And true to myself to the end

I'm not the type to socialize  
To join some renowned fools' parade  
I keep away from phony smiles  
And any backslapping masquerade

My road is straight and narrow  
I'm in control, I am free

Come hell or high water  
I'll continue on my way  
I'll carry on  
Through thick and thin, never hesitating  
Hell or high water  
Getting stronger every day  
And true to myself to the end

Come hell or high water  
I'll continue on my way  
I'll carry on  
Through thick and thin, never hesitating  
Hell or high water  
Getting stronger every day  
And true to myself to the end  
Come hell or high water  
I'll continue on my way

I'll carry on  
Through thick and thin, never ever givin' in  
Hell or high water  
I'll hold on tight and stay  
True to myself to the end  
To the end  
Right to the end  
To the end
