You can't help talkin'
'Bout everything and everyone
You can't help bitchin'
With your loud bad mouth
You always make a mess
Of anything you're involved in
You're nothing that you claim
I think you're insane

What's wrong with you?
Why couldn't you leave us alone?

Put your money where your mouth is - It ain't that easy
Put your money where your mouth is - And stop wasting
our time
If there's anything you can do - Just prove it
Put your money where your mouth is - Or shut up!

Nobody's ever needed
All this advice that you give
You're never invited
But you're always there
You'd like to catch attention
And you wanna be respected
But you're just a living problem
I think you're insane

What's wrong with you?
Why couldn't you leave us alone?

Put your money where your mouth is - It ain't that easy
Put your money where your mouth is - And stop wasting
our time
If there's anything you can do - Just prove it
Put your money where your mouth is

Put your money where your mouth is - It ain't that easy
Put your money where your mouth is - And stop wasting
our time
If there's anything you can do - Just prove it
Put your money where your mouth is
