I elevate myself above your god,  
Because I vote from the roof tops,  
I consider myself a saviour of the day.  
One shot in the head, none more, none less,  
I pray,  
I vote from the rooftops,  
One verse for every man emerging in the crosshair's  
eyes...

A precise device will at last prove me superior,  
I vote from the rooftops,  
So I vote my way down the brimstone gates.  
By homicide,  
I'm tryin' to make a point,  
Point blank, I vote from the rooftops,  
I fuck with life no one has dared before.

In a way I am a hunter,  
I the the woods to regulate,  
For what lies ahead  
Is worse than leaden hate.  
A space above capacity,  
Atrocities of reproduction,  
Cannon fodder keeps on marching  
Forward towards selfdestruction.

I hail the drug-fueled titans marching on...  
And those I had missed keep marching on...

I raise my gun,  
I raise my beer,  
I celebrate my being  
As the last man standing...
