I stand corrected
Guess it just wasn't meant to be
I know I am maladjusted
Crush what's inside of me

I know of no remedy
I know not how to cease
This feeling of hate in me
I just want to see you bleed

I know what I want
I want to stop seeing red
I know what I want
I just want to see you dead

Ever up for a quick release
Infect everyone around you
Cover up your own disease

I know what I want
I want to stop seeing red
I know what I want
I just want to see you dead

I know what I want
I want to stop seeing red
I know what I want
I just want to see you dead

I know what I want
I want to stop seeing red
I know what I want
I want to stop seeing red
I know what I want...
