Help - trying for existence
The ancient forest
Kneel upon the naked flesh
The begging hand

Die and die

Locking the prayers to eternal life
Holding truth of light
Passing wisdom of law
Holding ways of hope

Smelling the existence
Solving the imputent
Father give me your hand

Help- trying for existence
The ancient forest
Kneel upon the naked flesh
The begging hand

Locking the prayers to eternal life
Holding truth of light
Passing wisdom of law
Holding ways
The end of hope
