[Karyn:]

You are, a schizophrenic stupid little liar
You thought you were so cool when you took me higher
You were, almost the downfall of who I am
But I kicked you to the curb and I really don't give a damn
It hurts enough to make a scene
So if you have a problem just leave

[Chorus - Both:]

Honestly, honestly
You aren't a friend to me
You're just desperate for fame
Honestly, honestly
You don't mean a thing to me
I refuse to play your game

[Katrina:]

Hollywood is not for you
Hollywood is not for tools
Hollywood is not for you
Hollywood is not for fools

[Karyn:]

You are, a psychopathic lover of affliction
You pretended that you gave me affection
You were, prized so high for something in my mind
But I felt your cold shoulder late at night
I don't want to be this way
But you don't deserve the time of day

[Chorus - Both:]

Honestly, honestly
You aren't a friend to me
You're just desperate for fame
Honestly, honestly
You don't mean a thing to me
I refuse to play your game

[Katrina:]

Hollywood is not for you

Hollywood is not for tools
Hollywood is not for you
Hollywood is not for fools

[Katrina:]

You will never make it in this world
You're just an ugly, useless girl
Thinking you have real friends
But just like you, they all pretend

[Chorus - Both:]

Honestly, honestly
You aren't a friend to me
You're just desperate for fame
Honestly, honestly
You don't mean a thing to me
I refuse to play your game

[Katrina:]

Hollywood is not for you
Hollywood is not for tools
Hollywood is not for you
Hollywood is not for fools
Hollywood is not for you
Hollywood is not for tools
Hollywood is not for you
Hollywood is not for fools
