Whatever happened to Saturday night?
When you dressed up sharp and you felt alright
It don't seem the same since cosmic light
Came into my life
I thought I was divine
I used to go for a ride with a chick who'd go
And listen to the music on the radio
A saxophone was blowing on the rock 'n' roll show
We climbed in the back seat
And really had a good time.

(chorus)
Hot patootie - Bless my soul
I really love that rock 'n' roll (4x)

My head used to swim from the perfume I smelled
My hands kinda fumbled with her white plastic belt
I'd taste her baby pink lipstick
And that's when I'd melt
She's whisper in my ear tonight she really was mine.
Get back in front and put some hair oil on
Buddy Holly was singing his very last song.
With your arms around your girl you try to sing along
You felt pretty good... WHOO!
Really had a good time.

(Chorus to fade)
