Once in a while, she don't wanna call you

Speaking on the telephone

And once in your life, she don't wanna know you

You look around, the one you found, she is gone

And that's all the time

That it takes

For a heart to turn to stone

The sweeter the wine

The harder to make the break

You hear something about someone you thought you'd
known

So baby don't cry

Like there's no tomorrow

After the night

There's a brand new day

And there'll be no pain

And no more sorrow

So wash your face and call my place

It'll be Ok

And that's all the time

That it takes

For a heart to beat again
So give me a sign
That a lover makes
You look around, the one you found
Is back again
So baby don't cry
Like there's no tomorrow
After the night
There's a brand new day
And there'll be no pain
And no more sorrow
