[Katrina:]

He sits in his make-up room  
Servants there hand and foot  
Too bad I just keyed up his zoom  
And his wallet went kaput

[Karyn:]

Blockbuster smash just got banned  
It's all part of my selfish plan  
Let the reel run, I'll take him back  
Stupid moviestar will see what we had

[Chorus - both:]

Kiss me in the rain, kiss me in the rain  
Get ready 'cause you'll feel the pain  
Kiss me in the rain, kiss me in the rain  
That stupid moviestar acts so vain  
Kiss me in the rain, kiss me in the rain  
He took a drive in the wrong lane

[Katrina:]

Fired his manager in a big fit  
Open letter reveals that he's shit  
Here's the flop bug, he's been bit  
Let's hold a vigil, no candelights lit

[Karyn:]

It's only proper for his dead career  
He's left in an alley crying lifeless tears  
Being unknown is his biggest fear  
Will he last another year?

[Chorus - both:]

Kiss me in the rain, kiss me in the rain  
Get ready 'cause you'll feel the pain  
Kiss me in the rain, kiss me in the rain  
That stupid moviestar acts so vain  
Kiss me in the rain, kiss me in the rain  
He took a drive in the wrong lane

[Karyn:]

Everytime I feel like it's all wrong  
All I gotta do is flip my radio on  
I know the station isn't playing our song  
Especially because they got the lyrics all wrong

[Katrina:]  
It goes like...

[Chorus - both:]  
Kiss me in the rain, kiss me in the rain  
Get ready 'cause you'll feel the pain  
Kiss me in the rain, kiss me in the rain  
That stupid moviestar acts so vain  
Kiss me in the rain, kiss me in the rain  
He took a drive in the wrong lane

[Chorus - both:]  
Kiss me in the rain, kiss me in the rain  
Get ready 'cause you'll feel the pain  
Kiss me in the rain, kiss me in the rain  
That stupid moviestar acts so vain  
Kiss me in the rain, kiss me in the rain  
He took a drive in the wrong lane
