[Both:]

Good girls never get much of anywhere
It was always a battle up a flight of stairs
Walking backwards, falling right back on your ass
Eventually you know it's gonna come to pass

[Katrina:]

They're gonna wanna go bad
Or they're gonna go mad

[Chorus - Both:]

Why is it that we always fall for the bad boys?
Not used to a girl with dignity and poise
Why is it that we always convert to being crazy?
Not used to a bad boy calling us his baby

[Both:]

Good girls never say no to their man
But we changed that with a new kinda plan
Get mad if you want to, but we don't care
Make the people dance, throw their hands in the air

[Karyn:]

We just wanna be bad for one night
And we'll stay that way if it feel's right

[Chorus - Both:]

Why is it that we always fall for the bad boys?
Not used to a girl with dignity and poise
Why is it that we always convert to being crazy?
Not used to a bad boy calling us his baby

[Katrina:]

Never in my life have I tried to be a lady

[Karyn:]

Never in my life have I been so damn crazy

[Both:]

But somehow, somehow
It all works out
And we'll make it to the end
With a new badass boyfriend (huh!)

[Chorus - Both:]

Why is it that the good men always lose?

Not used to having these kind of issues
Why is it that boys never do right?
Not used to the girls starting the fight

[Chorus - Both:]
Why is it that the good men always lose?
Not used to having these kind of issues
Why is it that boys never do right?
Not used to the girls starting the fight

[Chorus - Both:]
Why is it that we always fall for the bad boys?
Not used to a girl with dignity and poise
Why is it that we always convert to being crazy?
Not used to a bad boy calling us his baby
