[Karyn:]

Yeah I get what I want when I want it
But you know it comes with all the conflict
Sometimes I feel like I play the convict
Trying to escape but I can't conquer it
One step out of a line and everyone's in a fit
I'd like to know happiness, even just a little bit

[Chorus- both:]

Sometimes I'm so tempted to
Not be that into you
But you tell me that I'm worth it
So I don't want a life less perfect

[Karyn:]

Hey you, why don't you follow me?
Take a look through our memories
Finding them can be such a task
I need to walk away from my past
The boys in your life make and break you
Even if you really don't want them to

[Chorus- both:]

Sometimes I'm so tempted to
Not be that into you
But you tell me that I'm worth it
So I don't want a life less perfect

[Katrina:]

This should be so easy
But the words are leaving me

[Both:]

Typically I wouldn't have a clue
I know where to go because of you

[Chorus- both:]

Sometimes I'm so tempted to
Not be that into you
But you tell me that I'm worth it
So I don't want a life less perfect

[Chorus- both:]

Sometimes I'm so tempted to
Not be that into you
But you tell me that I'm worth it
So I don't want a life less perfect
