[Karyn:]

I'll change my name and start again

I'll go on the dancefloor and get me a man

[Katrina:]

I'll wear a push-up just to see 'em go wild

Just to see the boys in VIP with their dirty smiles

[Both:]

It's so hot, hot; the way we drop, drop

[Karyn:]

Drop me in between the middle and the mean

[Both:]

We take shots, shots; we don't stop, stop

[Katrina:]

When the light turns green I'll party like a freak

[Chorus - both:]

I don't wanna be alone on a Saturday

Shook you off but now you have the right of way

Just wanna dance until my life comes to an end

[Karyn:]

We don't bend rules

[Katrina:]

We fuckin' break them

[Both:]

Let the music play on

The DJ is spinnin' our song

Let the music play on

The DJ is spinnin' our song

[Katrina:]

My body's getting hot, I need a bit of closure

[Karyn:]

It's been so long, so I'm glad it's finally over

[Katrina:]

I'll get knocked out and bring the DJ home

[Karyn:]

Or take him somewhere new where we can be alone

[Both:]

You make me wet, wet; I kinda like it

[Karyn:]

I think I see what you & me will be

[Both:]

You make me ooh, ooh; I kinda like you

[Katrina:]

You've got me screaming, your body's such a dream

[Chorus - both:]

I don't wanna be alone on a Saturday

Shook you off but now you have the right of way

Just wanna dance until my life comes to an end

[Karyn:]

We don't bend rules

[Katrina:]

We fuckin' break them

[Katrina:]

Baby let's dance until we die

And fuse together tonight

[Karyn:]

You bring out the bad girl in me

Most people don't know there's one existing

[Chorus - both:]

I don't wanna be alone on a Saturday

Shook you off but now you have the right of way

Just wanna dance until my life comes to an end

[Karyn:]

We don't bend rules

[Katrina:]

We fuckin' break them

[Chorus - both:]

I don't wanna be alone on a Saturday

Shook you off but now you have the right of way

Just wanna dance until my life comes to an end

[Karyn:]

We don't bend rules

[Katrina:]

We fuckin' break them

[Both:]

Let the music play on

The DJ is spinnin' our song

Let the music play on

The DJ is spinnin' our song
