[Katrina:]

You step out of the limousine
Not surprised by what I see
Flash a pose to the paparazzi
Manufactured in the industry

[Karyn:]

Diamond necklace and gold earrings
No one needs these material things
But to you they are family
Go away and start rehabbing

[Chorus - both:]

Don't get your knickers in a bunch over this
You think you're hot but you ain't shhh
So go back into hiding please
You're comeback's flopping, honestly

[Katrina:]

Anorexia is your best friend
And you can't even pretend
I saw it on Perez Hilton
He wrote 'slut' on your face again

[Karyn:]

No talent hack, maybe that's too harsh
But you should hire a driver for your fancy cars
Court dates are a daily thing
Your life's a typical Hollywood story

[Chorus - both:]

Don't get your knickers in a bunch over this
You think you're hot but you ain't shhh
So go back into hiding please
You're comeback's flopping, honestly

[Katrina:]

I hate to have to be the one to say
You've had your time; you've had your day
No one wants to see you flop
Sorry girl, but you're not hot

[Chorus - both:]

Don't get your knickers in a bunch over this
You think you're hot but you ain't shhh
So go back into hiding please
You're comeback's flopping, honestly

[Chorus - both:]

Don't get your knickers in a bunch over this
You think you're hot but you ain't shhh
So go back into hiding please
You're comeback's flopping, honestly
