And a beef will rise again, broken machine in his hand.
Ten words: snapping bunnies twitching gurgling forget
the bombs in your eyes. Roaring with whispers to the
tiny bunnies SMASH/SPLAT those fucking bunnies. Send
them information in a sensationalist manner, THEY
CORRUPT. Heads snapping and misspelling eyes
twitching in response to the sound of the words. Red
world-like words zooming boiling. Moons in the shallow
sky. Roaring with whispers to the tiny bunnies
SPLAT/SQUISH those fucking bunnies. Twitching
bleeding screaming bring the hammer down.
Screaming bunnies bleeding bloody bunnies smeared
across the ground. Drool spilling down his chin unto his
beard as he screams red words at A blank and
pointless sky of mothers. Red words popping and
crackling black. Ten words: Snapping bunnies twitching
gurgling forget the bombs IN YOUR EYES. Forget the
bombs in your eyes. Speak the words to crack open the
sky
