Hit and run by love
But broken less than I ask for
Just another crease
Another bump to pass by,
A bruise to heal

I've gotten the
Wouldn't you rather be friends
I guess that could make sense If we hadn't kissed
If you hadn't made me feel like I could never be missed

Let on by love and crushed by love
Well, It's nothing to cry for
I'm not the first to be lied to
A tainted heart, rancid lust
I never should of
Felt sorry

Everlasting love
Turned out to be nothing
Ha! It's rather bleak, yeah
But I've been sucker punched
One hell of a lot

Let on by love and crushed by lust
Well, it's nothing to cry for
No, I'm not the first to be lied to
A tainted heart, rancid lust, oh

Let on by love and crushed by lust
Well, it's nothing to cry for
No, I'm not the first to be lied to
A tainted heart, rancid lust
Never should of
Felt sorry

Let on by love and crushed by lust
Well, it's nothing to cry for
No, I'm not the first to be lied to
A tainted heart, rancid lust
I never felt Sorry
For falling in love

A one night off and I wanted more
But I never said, never felt
Never should of
Been sorry
