I wanna do wrong
I want you gone
My eyes are burning red from all
The tears that i have cried
Now im watching you with her
And hatred does occur
Mean, mean man
Selfish son of a bitch
I hope i don't miss
I'm watching you with her
But im watching you burn

Eye for an eye
You sealed my heart with a kiss
Now i'm taking with it needs
Lie upon lie
Nothing left but your cries
Im taking back what is mine...

Smiles across my face
Im standing over you and i laugh
Straight in your face
Im taking you home
The girl has found her stone

Cold, cold man
Selfish son of a bitch
Im glad i didn't miss
I'm taking you home
Now we are all alone

Eye for an eye
You sealed my heart with a kiss
Now i'm taking with it needs

Lie upon lie
Nothing left but your cries
Im taking back what is mine...

You came to my home
With so many needs
You craved all i had nd i gave in to

Your every little desire
You slept in my arms
And you sucked from lips
And when everything
Was taken....

I never cared for guns
But that night i opened
The bar keepers box
And i shot you both down
A bloody mess of fire
Was all my heart desired

Eye for an eye
You sucked my heart dry
Now i'm taking what is mine
Lie upon lie
No more hurting crimes
What's left
Is for you to cry, oh cry
You sealed my heart with a kiss
Now i'm taking what it needs

Eye for an eye
No longer will i cry
I'm taking back what is mine.
