Lost in your arms  
There goes my freedom  
Never thought that i, could ache so  
Much for someone  
Avoiding your eyes, feeling im left  
With no disguise  
Please rewind  
Cause i fear that i am falling

And i don't wanna fall in love  
No i don't wanna trust  
Anyone that makes me  
Wake up smiling  
And makes me blind

Caught in a trap  
Fell into a trap

I don't wanna be  
Miss X someone  
Or MRS all-gone wrong  
I don't want you to see  
Exactly what you are doing to me

But i feel your touch, and im craving  
Your every move  
You're making me feel, like a prom  
Queen with no routine

And i don't wanna fall in love  
No i don't wanna trust  
Anyone that makes me  
Wake up smiling  
And makes me blind

Caught in a trap  
Fell into a trap  
Trapped

Chest infection, a total mind abortion  
I don't wanna fall in love  
A bad injection

A crazed hallucination  
No, i don't wanna fall in love
