And a beef will rise again, broken machine in his hand.
Ten words: snapping bunnies twitching gurgling forget
the bombs in your eyes.

Roaring with whispers to the tiny bunnies
SMASH/SPLAT those fucking bunnies
Roaring with whispers to the tiny bunnies
SMASH/SPLAT those fucking bunnies

Send them information in a sensationalist manner,
THEY CORRUPT. Heads snapping and misspelling eyes
twitching in response to the sound of the words

Red world-like words zooming boiling
Moons in the shallow sky

Roaring with whispers to the tiny bunnies
SPLAT/SQUISH those fucking bunnies

Roaring with whispers to the tiny bunnies
SPLAT/SQUISH those fucking bunnies

Twitching bleeding screaming bring the hammer down
Screaming bunnies bleeding bloody bunnies smeared
across the ground Drool spilling down his chin unto his
beard as he screams red words at A blank and
pointless sky of mothers
Red words popping and crackling black

Ten words: Snapping bunnies twitching gurgling forget
the bombs IN YOUR EYES
Forget the bombs in your eyes
Speak the words to crack open the sky
Forget the bombs in your eyes
Speak the words to crack open the sky
