im mesmerized
a servant to the light
a victim to the red and blue
green, yellow and white
lingering so lovingly
to the songs so gay i scream
brighter than the stars themselves,
sweeter than icecream

masses meld
the titans come
this crowd is torn asunder
to a quivering mass
they smiled down at me
devour my face and head

everything was washed away
into light. i wont break
light. this perfect light.
clean again. limited.

:music:

:screaming:
illuminated hungry smiles
caterpillars and crocodiles
rawrrr
light bulb. flash pulse. bright light bright night
everyones fucked!
light bulb. flash pulse. bright light bright night
everyones fucked!
things never change, only rearrange
like a suicide. its do or die
coming down again like a grain of sand
caught in your eye. now your blind.
