[Featuring Ed Edge]

Big business

He's an enigma wrapped up in a conundrum  
He's a mystery tragic like an ailing paramedic

My heart booms to see you're still standing  
I know that your faiths can be demanding  
With those cables all plugged in your head  
In Poughkeepsie I thought you were dead

Ed Edge  
He's Ed Edge  
Ed.

He's an enigma wrapped up in a conundrum  
He's a mystery tragic like an ailing paramedic

Like me tell you about Ed Edge...  
Mexico City

He's a Buddhist, Christian, paramedic, vegan, straight  
edge pimp but most of all...  
Big  
He's big

Under an attack of the heart  
He knows the sign  
Holds it close to his heart all the time

He's a believer, a healer, a sexuality stealer

Where have you been Ed?  
Where are you going to?

He drifts on soul tides from island birth  
... he arrives  
Golden heart and black hands  
A human male. He's just a man.

Where have you been Ed?

Where are you going to?  
Where have you been Ed?  
Where are you going?
