And a beef will rise AGAIN!,
Broken machine in his hand!.

Ten words: snapping, bunnies, twitching, gurgling,
forget the bombs in your eyes.

Roaring with whispers,
to the tiny bunnies,
SMASH/SPLAT those fucking bunnies. (x2)

Send them information in a sensationalist manner...
THEY CORRUPT!.

Heads snapping and misspelling eyes twitching in
response
to the sound of the words.

Red world-like words zooming boiling.
Moons in the shallow sky.

Roaring with whispers

to the tiny bunnies
SPLAT/SQUISH those fucking bunnies. (x2)

Twitching bleeding screaming
bring the hammer down.

Screaming bunnies bleeding bloody bunnies smeared
across the ground.
Drool spilling down his chin onto his beard screams red
words at A blank and pointless sky of mothers. Red
words popping and crackling black.

Ten words: Snapping bunnies twitching gurgling forget
the bombs IN YOUR EYES!.
Forget the bombs in your eyes.
Speak the words to crack open the sky
