Walk with me my monster- but close those crusty eyes  
The sounds i make may be abrasive- but you'll be all  
right  
Turn off all your senses and pretend you're home  
Walk with me and you walk alone  
YEAH!!!

AT THE SIGHT OF HIS SCALES  
YOU START TO SHAKE  
YOU CAN NEVER TRUST A SNAKE  
AT THE SIGHT OF HIS SCALES  
YOU START TO SCREAM  
YOU can't TRUST A FANGED THING

Grain by grain - so hot ive lost it  
Echoes peck and gnaw at me  
Creep, i crawl - shake im breaking  
Creep and crawl -- they're chasing me  
SERPENTS!!!!!!

And i feel, so cold  
Like the world just might explode  
And if i open my mouth it will fill full of SAND  
And i feel, so cold  
Like the world just might explode  
And if i open my mouth it will fill full of SAND

AT THE SIGHT OF HIS SCALES  
YOU START TO SHAKE  
YOU CAN NEVER TRUST A SNAKE  
AT THE SIGHT OF HIS SCALES  
YOU START TO SCREAM  
YOU can't TRUST A FANGED THING

Its safe to say ive finally lost it  
The wells gone dry and abandoned me  
Creep, i crawl, begging droplets  
Of anything to comfort me  
Thirsty

Laying in a hot desert  
Bitten by a poisonous snake

Soft venom floods my veins  
I have lost my heartbeat  
My poor pulse is quivering  
And ive lost control  
Descending to my ending  
A perilous black hole

The rivers run dry and so has my veins  
Im a filthy animal begging for change  
Nothing i do is going as planned  
NOTHINGS LEFT OF ME BUT FUCKING SAND  
NOTHINGS LEFT OF ME BUT FUCKING SAND

The sun explodes, so slow  
I feel the flames and i see the snow  
All that's left of my mind is sea of sand  
The sun explodes, so slow  
I feel the flames and i see the snow  
All that's left of my mind is sea of sand

And everybodys celebrating!

Ive lost my way  
Desperate for change  
Pursued by snakes  
Bearing my name

Ive lost my way  
My skins dry and baked  
Fearing I'll fade  
Im the snake

I walk with my monster- he beats me down  
Bestial and savage thoughts- his arms are long  
Cant get up, can't get up- nothings as planned  
Nothings left of me but FUCKING SAND!
