Taken by vultures, swooped down to the raping
Stolen by relentless talons
Taken by vultures, swooped down to the kill
Stolen by relentless talons

ABANDON with reckless ABANDON with reckless
ABANDON with reckless ABANDON
TAKE ME
TAKE ME
TAKE ME
TAKE ME

Weak-----and BLOOD RED
From a broken beak
Here comes the sound of dusty wings
Hungry for dead things

-----SLAVES!-----
.....masturbate to a single note

TAKEN BY VULTURES!@#!@#
TAKEN BY VULTURES!@#!@#
Taken by vultures taken by vultures
Taken by vultures taken by vultures
Taken by vultures taken by vultures
Taken by vultures taken by vultures
