Rather sleep than eat  
Rather sink than think  
And I can't keep still from the pain relief  
Colourful room, comfortable floor  
Feels so smooth I bounce off the walls [x2]

No-one else can let you down like I can  
Let you down like I can

Lay low  
Till the smoke clears  
And my throat clears  
Baby, baby ooh  
Lay low  
Till the smoke clears  
And my throat clears  
Annie, Annie ooh

Annie if you're listening  
There's something I've been meaning to share with you

I kinda let you down  
What I'm trying to say  
Is I'm sorry every day [x2]

No-one else can let you down like I can [x5]  
Let you down like I can

Lay low  
Till the smoke clears  
And my throat clears  
Baby, baby ooh  
Lay low  
Till the smoke clears  
And my throat clears  
Annie, Annie ooh

Lay low  
Till the smoke clears  
And my throat clears  
Baby, baby ooh [x2]
