Enemies and friends  
Accidents in the A.M  
A little more feminine  
A little more genuine

Don't like anybody yet  
Of everyone I have met  
A little more generous  
A little more flesh

The benefits are best  
My friends come first

Too late to operate  
Wheels turn automation  
I'm so tired of waiting

Enemies and friends  
Passing in the evening  
A little more innocent  
A little more vitamin  
Wait wait wait  
It's not what it looks like  
Wait wait wait  
I swear I haven't changed

Too late to operate  
Wheels turn automation  
I'm so tired of waiting [x2]

I get it I get it I understand  
No-one ever makes it back [x2]

Enemies and friends  
Accidents in the A.M  
A little more feminine  
A little more genuine

Too late to operate  
Wheels turn automation  
I'm so tired of waiting [x2]
