Like an unknown soldier left for dead
The war rolls on around my head
In your magazines
On your TV screen
This is my nightmare, my nightmare

Can you keep me alive until help arrives?
Sixty-five days I've been away
And I can't believe the things that I've seen
My nightmare
My dream.. yeah, yeah.

Make it so I cannot see
So I can drift away
What's left of me [x2]

Like an unknown soldier.. soldier
Been left for dead.. dead
The war rolls on.. war rolls on
Around my head.. around my head
In your magazines.. in your magazines
On your TV screens.. TV screens

This is my nightmare, this is your dream
This is my nightmare, this is your dream

Make it so I cannot see
So I can drift away
What's left of me [x2]

I'm dead, I'm dead, I'm dead
My body doesn't know it yet
I'll save myself, from life itself [x2]

Make it so I cannot see
If I can drift away
What's left of me
A blanket for my sanity
And everything unreal
Like you wouldn't believe

Make it so I cannot see

So I can drift away
What's left of me

A blanket for my sanity
And everything unreal
Like you wouldn't believe
