A reprise of the introduction as Cu Chulainn tries to frighten off his friend Ferdia from a battle he knows will end in his death.

Gae Bolga is the name of Cu Chulainn's supernatural spear.

"Everthing I say" Cuchulainn cried,
"Is larger far than life itself".
But Ferdia just grinned and shook his golden hair.

"And everything I do is ringed about
With fantasy". But Ferdia just laughed
And shook his silver spear and fell to battle again.

"Every step I take" Cuchulainn cried,
"is measured out in centuries".
But Ferdia just laughed and shook his golden mane.

"And now I must make my stand; for
your death
Is my destiny". But Ferdia just laughed
And shook his silver spear and fell to battle again.
