In may of nineteen forty-one the war had just begun

The germans had the biggest ships

That had the biggest guns

The Bismark was the fastest ship

That ever sailed the seas

On her deck were guns as big as steers

And shells as big as trees

Out of the cold and foggy night

Came the british ship the Hood

And ev'ry british seaman he knew and understood

They had to sink the Bismark the terror of the sea

Stop those guns as big as steers

And those shells as big as trees

We'll find that german battleship

That's makin' such a fuss

We gotta sink the Bismark

'Cause the world depends on us

Hit the decks a-runnin' boys

And spin those guns around

When we find the Bismark we gotta cut her down

The Hood found the Bismark and on that fatal day

The Bismark started firin' fifteen miles away  
We gotta sink the Bismark was the battle sound  
But when the smoke had cleared away  
The mighty Hood went down  
For six long days and weary nights  
They tried to find her trail  
Churchill told the people put ev'ry ship a-sail  
'Cause somewhere on that ocean  
I know she's gotta be  
We gotta sink the Bismark to the bottom of the sea  
We'll find that german battleship  
That's makin' such a fuss  
We gotta sink the Bismark  
'Cause the world depends on us  
Hit the decks a-runnin' boys  
And spin those guns around  
When we find the Bismark we gotta cut her down  
The fog was gone the seventh day  
And they saw the mornin' sun  
Ten hours away from homeland  
The Bismark made its run  
The admiral of the british fleet said  
Turn those bows around  
We found that german battleship  
And we're gonna cut her down

The british guns were aimed  
And the shells were comin' fast  
The first shell hit the Bismark  
They knew she couldn't last  
That mighty german battleship is just a memory  
Sink the Bismark was the battle cry  
That shook the seven seas  
We found that german battleship  
Was makin' such a fuss  
We had to sink the Bismark  
'Cause the world depends on us  
We hit the deck a-runnin' and  
We spun those guns around  
We found the mighty Bismark  
And then we cut her down  
We found that german battleship  
Was makin' such a fuss  
We had to sink the Bismark  
'Cause the world depends on us  
We hit the deck a-runnin' and  
We spun those guns around  
We found the mighty Bismark  
And then we cut her down
