Turn round and round
Turn round and round
Don't look at the ground
but in the sky's she's dancing
Get lost in sound
Get lost in sound
She cried up so loud
and now she's beautiful again
And she leave all this behind
and after all she win this fight

Dance in the sun
Dance in the sun
Think of somebody gone
She feel so warm inside now
Get in this dream
Get in thi sdream
She'll take off this chain
She will be dancing again

And she leave all this behind
and after all she win this fight
And in a corner of her heart
remains a memory save and warm

Dance in the sun
Dance in the sun
She's lost in sound
She's turning round and around

And again
She'll be as free as then
She feel so warm
and suddenlys everything behind.

And again
She'll be as free as then
She feel so warm
and suddenlys everthing behind.

Dance in the sun
