Silence - So Loud
A Storm Inside My Head
White Paper Leaves
Are Feeling Hungry On The Desk
I'm Searching For
Words That Don't Exist...
Just A Few
Metaphors For Yuo

My Search Goes On
For A Metaphor For You
Nothing Compares...
There's No Substitute For You
And I've Been Stuck Inside This Song
I'm Spending Too Much Time Alone
My Search Goes On
For A Metaphor For You

You Are Not Here
But In The Way You Are...
An Absurd Search For
Unnecessary Words
Broken Pen-
Thrown Against The Wall
On The Ground-
Waste Paper All Around

It Should Have Been
The Best I Ever Wrote
But In The End
It Became Just Another Song
I'm Searching For
Words That Don't Exist
Just A Few
Metaphors For You
