Totsuzen no KISU ya atsui manazashi de
Koi no PUROGURAMU wo kuruwasenaide ne
Deai to wakare jouzu ni uchikonde
Jikan ga kureba owaru Don't hurry!

Ai ni kizutsuita ano hi kara zutto
Hiru to yoru ga gyaku no kurashi wo tsudzukete
Hayari no Disco de odoriakasu uchi ni
Oboeta majutsu na no yo I'm sorry!

Watashi no koto wo kesshite honki de ai sanaide
Koi nante tada no GE-MU tanoshimeba sore de ii no
Tozashita kokoro wo kazaru hade na DORESU mo kutsu
mo
Kodoku na tomodachi

Watashi wo sasou hito wa hiniku na mono ne itsumo
Kare ni niteru wa nazeka omoide to kasanariau
GURASU wo otoshite kyuu ni namida gundemo
Wake wa tazunenaide ne

Yofuke no kousoku de nemuri ni tsuku koro
HAROGEN RAITO dake ayashiku kagayaku
Koori no you ni tsumetai onna da to
Sasayaku koe ga shitemo Don't worry!

I'm just playing games
I know the plastic love
Dance to the plastic beat
Another morning comes
