Now look what I've done  
It seems that I own some  
As all it turn back now to see that  
In all of of my fat lines  
Upstaging a climaxing dream, yeah  
'Cause  
\*If it's all right  
To be your good time boy  
If it's all right  
Be your good boy  
If it's all right  
To be your good time, boy  
If it's all right  
It's all right, yeah  
Sock it to me, now now now  
Why should I mind  
If I step right out of line  
And I get caught be her  
Get caught my her, lucky me, yeah  
'Cause now I've loved a few  
That's why they call me  
Call me "good old dude"  
And I can't, I can't change right now  
It seems, yeah  
(\* Repeat)  
Sock it to me now  
Groove it on me now  
You lay it on me now, ooh  
(Ad lib)  
Sock it to me now  
If it's all right, be your boy  
Be your boy  
And it's all right  
Be your boy
