"The Bus"

Walked home in the rain today
Took the subway train today
Went to my room, listened to Billie Holiday
Stared down to Broadway
Took the bus home today
Had a staring contest with a guy I did not know today
Outstared everyone on the bus today
Took it home to Broadway
I don't care if you don't understand
I will be there anyway
Just found out what to be today
See it through
I don't care if you don't understand
I will be there anyway
Just found out what to be today
See it through
