crush those bones to reach the goal  
no nipples in the halftime show  
bite that tit but you can't suck it  
they wanted Ginsberg's verse destroyed because his  
biker howled out in joy  
kick that ass but you can't fuck it  
vilifying consensual sexual acts is more offensive than  
a dick in an ass  
burn these sheets and think nothing of it at all  
well, they ruined this bed before it was made  
they're happiest when you feel afraid  
stand up tall and get your scars  
if you will not deny what you are
