Yeah yeah yeah,
Yo Every time she wanna do it like she want what i got,
Maybe then we gettin freaky but then maybe we not,
You so hot,
Wanna do it a lot,
Man this girl gotta go she's a head full of crazy!
She wanna do me at the movies like I'm Tom Cruise,
So I go reachin' for the goodies endin up with a bruise,
Lookin for clues,
I got nothin to lose,
Man this girl gotta go I dont want her to stay,
Ooooooh yeah, you know that i dont mind,
But if I want you to stay,
Well then I'll let you know,
And I said oooooh yeah you know that I dont mind,
But I dont want you to stay,
So you gotta go (You always give it to me)

Now I was rollin with my buddies till way past three,
And we was doin Captain Morgans n' ecstasy,
The early mornin crickets hasslin me,
Theres a knock at the door,
Theres a head full of crazy,
And when seh try to give me lovin I end up like a gimp,
Looks like hoochie mama wookie huggin up on a
shrimp
Thats the line now I walk with a limp,
And this girl gotta go I dont want her to stay,
Ooooooh yeah you know I know that I dont mind,
But if I want you to stay,
Well then Ill let ya know,
And I said ooooooh yeah,
You know I know that I don't mind,
But I dont want you to stay,
So you gotta go away,
Hey!
Oh oh oh down today,
Get By!

So Im dreamin that I'm sleepin with Britney Spears,
And then I wake up to the smell of cigarettes and beer,

The hairspray isnt helpin me here,
And this girl gotta go I dont want her to stay?

Ooooooh yeah you know I know that I dont mind,
But if I want you to stay,
Well then Ill let ya know,
And I said ooooh yeah,
You know I know that I dont mind,
But I dont want you to stay,
So you gotta go,
No I dont want you to stay,
So you gotta goooo awaaaay,
Hey!
Oh oh oh doooown today,
No woah,
Hey!
Oh oh oh doooown today?
