Dummer dummer dummer dum mer dum dum...Here
we go here we go it's time to stop!
Mmm the violence, hate, and all the mess~ It's about
time somebody should stand what is right,
that is right, bang bang bang~
What comes down beat a what comes down, do your
body ready for the beat again~
Everybody what's up are you people ready for it~ This
is the message from H.O.T~
