Guerilla.....what!!!..what!!!.....untamed guerilla

(Juvenile)

Everyday I hear somebody bustin' choppers
They be makin' it hot they be killin' my block
They be havin' them whole people scared up
They be havin' them lil' children scared duckin'
But they don't give a fuck
They wanna see what's up
Niggas done play wit' his people Now they gone
bust'em up
Some of them snortin' dope some of them bag that kill
Some of them jus bout that foolishness some of them
play it evil
I remember the club, they got banged up
Nigga was in the middle of it wit' his brains bust
And his partner saw, all of them niggas face
And now they wanna turn the tomorrow into a murder
case
Nigga get out of jail, he still be up in beef
Gotta get some money, gotta get him a piece
Gotta get him a low so he can beef up
Catch a nigga down bad and woedy gettin' stuck

(Chorus)

Now it was drama going on in my neck of the woods
Beef kickin' through out the hood niggas up to no good
Look here..They stappin' up, click clackin' up...loading
dem thangs
Niaggas are taggin', they backin' up, they let'em hang
My niggas walkin' up, pullin' up, fuck a drive by
Cuz the nigga on the passenger side automatically die
Capable to slide, wit' a U-P-T
You out of bound, you ain't from uptown, cross Martin

it's pistol play on up and up
Niggas being big mouthed so they gettin tossed up
You better be about yo business cuz it's going down
Niggas gettin' out, two weeks later they body found
I can't be fuckin' with them niggas drawin' beef to me
Have me in shoot outs that don't concern the B.G.

I play it like the next nigga fuck he play it raw
But I gotta watch my fuckin' ass cuz dem boys at war
