Click clack shimmer 'n shine  
Everybody's in a line now  
Dressed up to the nines now baby

Silver, shiny, sexy, it's love and  
The music's playing so loud  
Disco balls and big crowds baby

Her eyes, they tell me what I need to know  
Your touch tells me where I need to go  
My lead will make you wanna get so close

Well I like to dance  
So if you do just get on the floor  
Forget the romance  
This is what music was created for  
So find someone hot  
And if you're not it doesn't matter  
Baby take what you got and  
Just go dancing you'll feel better

I like to dance  
I like to dance dance dance dance

Lovesick electric sex thoughts  
Are flying all around me  
He said, she said "let's leave" baby

Fashion lives alive in her dress  
And her eyes'll never leave her  
The song creates a fever baby

Her eyes, they tell me what I need to know  
Your touch tells me where I need to go  
My lead will make you wanna get so close

Well I like to dance  
So if you do just get on the floor  
Forget the romance  
This is what music was created for  
So find someone hot

And if you're not it doesn't matter  
Baby take what you got and  
Just go dancing you'll feel better

Lovesick, lovesick, ELECTRIC [x4]

(I like to dance) [x4]

Well I like to dance  
So if you do just get on the floor  
Forget the romance  
This is what music was created for  
So find someone hot  
And if you're not it doesn't matter  
Baby take what you got and  
Just go dancing you'll feel better  
[X2]

Lovesick, lovesick, ELECTRIC!
