They got T-shirt waiting on yo fucking picture  
Yo head leak like water drippin from a faucet  
Cause I was in the hospital  
Yo wootay these niggas think I lost it  
But I'm still a head busta  
Run with straight real niggas  
That's a fatigue nigga  
So this the deal with ya  
All about cash daddy  
Face behind the mask daddy  
Choppers with 50 in em'  
Ready to blast daddy  
Duck or get down nigga  
Bounce or get bounce nigga  
U on side of a milk carton  
Can't be found nigga  
Take it how u wanna  
Bring how u feel  
Take in blood nigga you get it how u live

Chorus: ( Juve)

Where the villian be
