B.G.)

Boy, picture me com'n, shining my motherfuckin ass
off

Nigga I'm com'n in a Ram on 19's
I don't want for nothin, livin the million dollar dream
All of a sudden, niggas wanna do me in
Don't make me get disgusted, or over your head is 10
Me and Baby shinin, on 750 C.B.R.'s
Going to the best western with niggas in two cars
Tomorrow hoes gotta go, cause me and B flyin back to
Tennessee
Tryin to see bout some cheese
They got niggas ballin, but they don't even wanna
Get out the projects, and buy a house on Washatona
Fresh gotta Burben, pearl white with T.V.'s
My clique ain't hurtin, haul to the bank First N.B.C.
Juve gotta a Beamer, blue and black with 17's
B Expedition shoppin, he just ordered 23's
It's all gravy, this life i'm livin, i'm lovin,
Young, straight thuggin, watch out for my clique cause
we com'n

I'm com'n, draped in diamonds, you blind homes
I'm com'n, bout gettin my fuckin shine on
I'm com'n, draped in diamonds, you blind homes
I'm com'n, bout gettin my fuckin shine on

(Lil' Wayne)

In all black, ready to get a nigga for some yay,
Playin with heavy weight, i'mma end (?)
Don't hesistate, better play it cool, shipe
I'm up the big two, shipe, go by the rule, shipe
Drop everything where you stand nigga,
Give it all up, like a man nigga
You workin with somethin, nigga bring me to the house
Respect my mind, or get your brains knocked out
I come for the cheese, 25 G's, remain on your knees
Or i'll be forced to release, freeze,

I make a nigga break down like a bucket
Nigga what, you ain't gonna what, hold up, (gun cocks)
up it
Who fallin now, loga, tell me that
Who ballin now, broadas, flat necks
Spread it on down, with ya issue I be stunnin
Nigga lay it down, i'm com'n

I'm com'n, you better watch what you do nigga
Nigga I'm com'n, (?) it's on you nigga
I'm com'n, you better watch what you do nigga
Nigga I'm com'n, you ballin, it's on you nigga

(Bun B)

From a penny, to a nickel, to a dime, and a quarter
If a any nigga fickel-fuck with mine, then he oughta
Get his wife, son, and daughter funeral plans in order
Cause i'mma slaughter his blood line till it's thinner
than water
Went from captain Save-A-Hoe, to Captain Kirk, to
Captain Kangaroo
But you ain't got no army captain, so who is you a
danger to
Nobody hang with you, slang with you, bang with you,
spend change with you, or do no kind of gangsta
thangs with you
I'm on your heels, and ain't no lettin up
So if you hit the ground, bitch ain't no gettin up
Niggas start the bettin up,
Put your last dime on me, your credit line on me,
Ask Niggy D.D., you gon win every time on me
That ain't no lyin on me, that's on my momma
All my niggas locked up and dead, behing all that
fuckin drama
Wassup to Big Tymers, producers, groupies, bitches,
and rap rhymers
Big Bun com'n like dicks and vaginas

I'm com'n, just when you niggas least expected
I'm com'n, so have your whole body protected
I'm com'n, strong armin your whole clique bitch
I'm com'n, so wipe the cum up off my dick bitch

(Young Turk)

I got more weight then them niggas up state
My name, Raymon D., I'm the nigga with the yay
I'm from the projects, 42 dollar rent, i'm ballin
Stackin ends, taller then tall, could never catch me
fallin

Ride slow, shine like diamonds, twinkle like gold
The young nigga, fuckin all you old niggas hoes
When I come, I come with it, I don't rep
Playa haters wanna kill me, march niggas, step
Yeah I got it, fuck them niggas, I ain't hidin it
Hot boy with hot toys, hangin in the closest
Ready to be fire, drama, i'm bout that
Chopper with 50 shots, nigga I pack gats
My set be on fire, hotter then the sunny
Want a package, meet me at the spot, nigga i'm com'n

I'm com'n, with the coke, let me though nigga
I'm com'n, playa hate me, you get removed nigga
I'm com'n, with the coke, let me though nigga
I'm com'n, playa hate me, you get removed nigga

(Juvenile)

Stop at the gas station and put 30 in the tank
Pockets kinda low, I hit the curb to the bank
Just thinkin bout this bitch ass nigga, that's disrespectin
No question, wootay bit the hand that done fed him
My nigga Doug told me, " man ride with them choppers
"

My nigga Baby told me, " man don't stop for no
poppers"
Know that a bitch will get you crossed in a minute
Know that they gonna put it off till they get it
I had a bad bitch with big ass, until she was top of the
line
So she stayed in Chanell fits
She ran with some made niggas, so she was a made
bitch
However you wanna do it, it's all on you how she played
it
She worked for Hot Boys, and I was the chairmen
Complication, just give me the Franklins
You can take it like a man or a bitch
Best to get the fuck or you wanna get flipped

I'm com'n, better watch what you do nigga
I'm com'n, you gotta get it, you gotta do nigga
I'm com'n, Juvenile is comin through nigga
I'm com'n, i'mma knock your brains in your shoes
nigga
I'm com'n, better watch what you do nigga
I'm com'n, Juvenile is comin through nigga
I'm com'n, i'mma knock your brains in your shoes
nigga
I'm com'n, better watch what you do nigga
