Turk:

Untamed gorillas

Uptown for sho'

Gettin' full of that raw Mac Melph Calio

Totin choppers on the street like it's very legal

Lovin' blue eyes and curly hair cuz that's fuckin' people

These niggas wet head smokin' from his beretta led

Shouldn't fuck with niggas in that 3 cuz they surely

don't play

Chop you down in a minute

Yo' head, quick to spin it

Set it off with 50 shots

Ain't no stoppin' till it's finished

Rag tag, leave ya fizad with bullet holes

On yo bizack with bloody clothes you know

Thug niggas

Like sockets we plug niggas

Head busters

Showin' no love ass niggas

Bout beefin'

At night they bout that creepin

Tearin' it down

No more DJ's for the weekend

Chop you down real quick

Like that razor Gillette

Body acceptin' bullets like 1-800-Collect

Chorus (Juvenile):

Livin' in that 3rd where niggas got shot

They got 9 millis and infrared dot

A buncha niggas totin' choppers that's quick to wet you

(repeat)

Turk:

Part 2

And you know, what we bout, them hustles
Still niggas, kill niggas, work for the men with shovels
Still nigga, fuck with that 3 it's a must that you die
Real nigga, ??? got on a box with camoflauge
Macs, SK's, Choppers, that's all we play
Spin up in at night, big nuts from broad day
Leavin' yo' block wet
Don't give a fuck who get hit
Bangin' and kill
So if you get split you get split
In that UPT, they got that monkey on they back
Niggas in that 3 won't hesitate to leave ya crack
If you slip in Uptown, then you fucked nigga
Pullin' triggers full of that brown ducked out nigga
Totin' choppers
That's wet ya leave ya foul nigga
Uptown don't give a fuck, and they wild nigga
In that Magnolia, nigga knock ya head off ya shoulders
Reload to LD will fuck clean over ya
Left with no figgas
Fucked up from 50 niggas
6 ft. is where you'll be
On t-shirts is ya picture

Chorus

Turk:

In that 3 we pack 2's that'll bruise when we spit
Choppers with 50, so it ain't no way we won't hit
Playin' a game with no rules so you get crept on
Red dots beamin' u better have your vest on
Uptown consists of nothin' but them real niggas
Packin' steel niggas
Won't hesitate to kill niggas
Sharp shooter ?????? nigga at far range
Killin' you niggas ain't no thang so yo' brains hang
Choppers be ringin' like a motherfuckin' church bell
Niggas get served like a junkie with a drug sell
Runnin' shop is them off of ???
???? and they strapped with autillary
In that Melph, niggas will leave ya where ya standin
Poppin' trunks and they pullin' out the cannons
Pullin' triggers that'll soak ya leave ya brainless
50 shots will stop ya
Body be flamin'

Chorus x 2
