Verse 1: Juvenile

Wodie ask them motherfuckers how the CMB play it
Tanqueray and Alize it, take the llello and weigh it
735's I drive fits ta match, when I past
Bitches ask, "Who the fuck was that?"
Girl that's Juvenile you don't know'em he on fire
17 inch momos black magic on his tires
Crushed out stoned, plushed out homes, cellular
phones
And concerts in the Superdome
Now I can pump my Beamer and play the Navigator
Sport tailor made outfits with matchin alligators
Visa gold, bank account on swole
Got my million dollar destiny under control
Millions a fantasy, Juvenile's reality
Bitch I write my own checks bitch I pay my own salary
You want business with me
Boss playa ya have to be
I'ma million dollar nigga these bithces run after me
I got a gold and crome Beretta

And I can bet a - hundred G's and my pockets won't

(Chorus) 2x

All kinds of cars

Feared by many and loved by broads

Verse 2: Baby

Neighborhood superstar
Ridin' in these pretty cars
Uptown niggas livin' like movie stars
Flyin' ta tennessee chillin' with lil jimmie

And transportin' coke back and forth to my city
Takin' flights

Turned a hundred Gs into two million over night

These hoes say I'm a stuntin' bitch
That's why I look at all these hoes like the aint shit
But I'm a star
Bitch you can keep that gar
Give me the money and a brand new car
Livin' in eastover dealin' big balla parties
Invitin' all the fuckin' female roovers
Ridin' in lambruginis

Ridin' in convertible land roovers
