F/ Big Tymers

[B.G.]

When it comes down to stuntin', I pull it all
When it comes down to G shit, I get it all
When it come to pullin' hot girls, I pull 'em all
When it come to rockin' ice, B.G. rock it all
Sport diamonds like I tote a tech
Baby tote a fo' nickel like he wrappin' gifts
Try to stay cool so I don't melt the diamonds 'round my
neck
I keep bustas in suspense of what I'mma do next, gotta
respect
I ain't out to please a bitch
She could get on her knees
I'm tryin' to get rich
I'm shined out, ten karats on my wrist
Flyin' first class, me and my whole click, now
Fuck a glass, we sip Dom P straight out the bottle
Never I play, you know I'm 'bout murderin'
I ain't gotta say it
You don't cross me, I don't cross you
But understand a Hot Boy gotta floss too
Look, I'm iced out

[Big Tymers]

1 - I rock ice (lil' daddy)
Everytime I step
I rock ice (lil' momma)
Cuz I love the rep
I rock ice (whole world)
Cuz I'm doin' my thang
I rock ice
Bling bling, bling bling

[Turk]

My Rolex crushed out, my chrome stay spinnin',
Hot Boy wit so much money, I don't know how to spend
it
Don't you wish you could be in my shoes just for a
minute

Carry nothin' but faces, never quarters and pennies
I started at nothin', look at me now, I'm iced out
Police think I'm doin' wrong, but nope, I'm right now
It's cuz I'm Black, huh, that you ridin' my back
Paper on everything I have, so how you love that
They don't wanna see me ballin', wanna see me fallin'
Got it locked off wit my tank against the wallin'
I floss but get dirty too
My Roley cost, try to take it and I'll murder you
Ya say I stun too much
I can't help it, I be with baby
The number one stunner who drive these girls crazy,
The one with the 32 platts in his mouth,
Two Roleys on his wrist, game spitta from the south,
Tell me, what kinda nigga rock ice that'll hit ya momma
(momma)

[Wayne]

It's Cash Money youngest nigga
Right around ten figgas
That's what I (uh) work with
Pockets are (uh) perkin'
Money is my purpose
Whatever I purchase
Oh, could you do better?
Rollin' with the bezel
Who that be, that's Wayne,
Look at his gold chain,
Sometimes I wear grey,
White diamonds, pear shaped,
My jewelry just pure awful
And I can't stop thuggin', it's just in my culture
It's a must, everyday I'mma shine, black
You wan' meet me?
You just might need contacts
Cuz I'm the little one with the ice, flossing
Please, playa hater, get your wife off me
I ride by in a Jag with the top low
Throwin' hundreds, but it's cool, cuz I got more
Me and my niggas, we stunt like there's no tomorrow
Big Tymers, Hot Boys
Nigga CMR, nigga CMR

Repeat 1

[Juvenile]

Now you boys now them 4 99's I got expired
All them bitches pushed out on 20 inch tires
I'm lookin' for some hell of a head, is you for hire?,

You lookin' at this Roley I got, don't you adore,
The way a nigga lay a stunt
Braggin' 'bout 20 inch rims, up in the restaurant
But it ain't over, I'm about to go to Disneyland
Yo, you fuckin' deaf now, ya understand?
What if my baby momma's ride by, lookin good
I gave 'em both a hundred G's to get them out the hood
My momma gettin' chauffeured like a movie star
She don't know a damn thing about drivin' a car
I'm rimmed up
Now peep this million dollar smile in my mouth
And all this luxury shit I got in my house
I done sold a million records and I'm still goin'
Don't ask about my watch and my chain, it's still gone
