Verse 4: (Juvenile)

Now a nigga was makin cake rolls by the case loads  
Kept a chopper with a arm fold wherever I go  
And I always had to hustle & I could go head  
I was snatching by the truck loads all in your shit  
My mommy used to tell me you gotta slow down  
But I didn't wanna hear shit cause I was a clown  
Look I done showed you lil niggaz  
I done mold you lil niggaz  
You besta not play with me cause  
Look,i done told you lil niggaz  
I ain't the one my nerves bad, I move quick  
That was potna that you killed what's happening with  
you bitch  
I hit em bam bam, two to the chest  
Bam bam two to the head  
Bam on through the neck  
I looked up, now which one of you  
Bitches wanna be next, I picked the case  
And then I broke through the Jects  
Damn them bitches saw me i hope they don't talk  
But if i think they gone talk beleive they ain't  
Gonna walk, you see these golds, these diamonds,  
All these houses, these jews, they got niggaz
