B.G.)

I took off fuck the law

Lookin for B.G.

Sayin that I killed a nigga around the club last week

Get out the same ride in a big body

So I flip and scrip 9 minute EF three

Playin by different bitches cuz my face in the paper

Profile done although she couldnt describe me I got the eraser

I don't discriminate I flip a bitch too

She got to be eleminated I kill a bitch too

She her hair fixed by my sister she lost she gonna get her

To let me drop her off by this nigga

Off the river

She ridin with me thinkin that it's cool and shit

She don't think I know that she let her live loose and shit

I'm gonna pull over pull her out and pop some slugs in the bitch

And leave her pussy stinkin cuz I don't love a bitch

But I was smart comin up, never trust a bitch

And don't hesitate for a minute to chug the bitch

She was tryin to get me locked up

It was a must that the hoe get cocked up

Fuckin with me best believe that I'll do ya lots
